

Armenian IYCF-E Case Study

Author: **Harutyunyan, S., Confidence, member of IBFAN**

Year: **1988-90s**

Resource type: **Article**

The earthquake of 1988, the conflict between Azerbaijan and Nagorno-Kharabagh, which resulted in the economic blockade against Armenia and the influx of refugees, together with an economic collapse in the 1990s left Armenia in a vulnerable state. This paper looks at the effect on breastfeeding rates of these events, including the distribution of donated infant formula.
