

DONOR PERSPECTIVES

ANNA TAYLOR, DFID

As practitioners, we are interested in the global architecture for nutrition – what do you think the key issues or gaps are in the current system, and what needs to happen to address this?

MAGS GAYNOR, IRISH AID

What are major critiques you have of the nutrition sector and what advice would you give to the sector to overcome these critiques?

ERIN BOYD, USAID/DCHA

How are donors encouraging greater programmatic integration and UN coordination for nutrition?

MELANIE THURBER, USAID

To what extent does the SUN's
CRF (common results framework)
inform or influence your thinking?

CATHERINE CHAZALY, ECHO

How do donors determine the proportion of nutrition spend that is allocated to through the governments of countries, multilateral agencies, and INGOs? Does this differ between development and humanitarian budgets, and if so, how?
