Strengthening the Humanitarian-Development Nexus for Nutrition in Protracted Crises

**Thursday 26th March
2pm GMT**

Please join us as we explore key findings from four country case studies from Somalia, Ethiopia, Kenya and Yemen conducted between 2017-2019 with a specific focus on sharing examples of good practice & identifying ways in which the humanitarian-development nexus for nutrition can be strengthened to accelerate progress in reducing undernutrition in these contexts.

Including presentations from Jeremy Shoham, Carmel Dolan and Chris Leather
