

The Global Nutrition Cluster (GNC), NORCAP and the Swiss Agency for the Development and Cooperation (SDC) are pleased to invite you to the **Official Launch** of the **Evidence and Guidance Note on the Use of Cash and Voucher Assistance for Nutrition Outcomes in Emergencies**.

Date: 18 August 2020 | Time: 14:00-16:00 (CET) | Zoom Meeting [Register here](#) | Access [Evidence and Guidance Note](#)

In light of Grand Bargain cash commitments, the Global Nutrition Cluster (GNC) initiated in 2019 work to build the evidence base and guidance on the use of Cash and Voucher Assistance (CVA) for nutrition outcomes in emergencies. This work resulted in the Evidence and Guidance Note on the Use of CVA for Nutrition Outcomes in Emergencies. The Official Launch Event will introduce the Evidence and Guidance Note. It will further illustrate the possibilities of using CVA in nutrition response by looking at field experiences and initiatives from Nigeria, Columbia and West Africa.

The agenda for the launch event looks as follows:
