Job Description 2021

About Emergency Nutrition Network (ENN)

ENN is a well-established and highly respected UK-based charity working to reduce malnutrition globally. ENN strives to enhance the effectiveness of nutrition policy and programming by improving knowledge, stimulating learning and building evidence. We are passionate about being field driven and are globally recognised as thought leaders and conveners in nutrition.

Our vision is that every individual caught up in a nutritional emergency, or suffering from malnutrition anywhere in the world, gets the most effective help possible.

We undertake knowledge management, research and advocacy to support national governments, civil society, UN, donor and academic organisations. Through these collaborations we support agencies to implement evidence-based nutrition programming, predominantly in low - and middle - income countries.

ENN is a project-based charity and NGO. Our portfolio includes projects specialising in Infant Feeding in Emergencies, Wasting and Stunting, Adolescent Nutrition and MAMI, as well as our highly regarded International Publications. ENN is also now actively engaged in the global nutrition and development community in support of the COVID-19 response. For more information about ENN see our website: www.ennonline.net

ENN is governed by a Board of Trustees and has its head office in Oxfordshire, UK. We have a Technical Team and an Operations Team with a total of 24 full and part-time employees. In addition, we engage a number of consultants and contractors for specific project work.

At present our annual turnover is around £1.8m (c.\$2.5m) with much of our funding coming from government (institutional) donor grants and charitable foundations (Eleanor Crook Foundation, Waterloo Foundation), and other sources including support from UN agencies and INGOs. ENN receives income in multiple currencies and has spending commitments in both GBP and other currencies. ENN's accounts are prepared in GBP and filed in the UK with both the Charity Commission and with Companies House in accordance with UK charity requirements.

As a registered charity, ENN has no liability for corporation tax and ENN is not registered for UK VAT.

ENN's financial year runs from 01/02 – 31/01 and we operate a Sage 50 accounts management system currently, which we are looking to change. Annually, ENN issues a report on activities and outcomes and audited financial statements. These documents are publicly available online at: <https://www.ennonline.net/annualreportsandaccounts>
