

The IYCF-E literature repository is coordinated and supervised by **Mija-tesse Ververs, MMed, MPH, RD** who works at the Center for Humanitarian Health, Johns Hopkins Bloomberg School of Public Health and is a visiting health scientist with the US Centers for Disease Control and Prevention. This project was produced in collaboration with **Erin Boyd, PhD, MS**, who is a lecturer in Nutrition in Humanitarian Crises at the Friedman School of Nutrition Science and Policy at Tufts University, and **Aunchalee Palmquist, PhD, MA, IBCLC** (formerly with the Gillings School of Public Health). **Natalie Busath, LMSW, MPH** is an associate faculty with the Johns Hopkins Bloomberg School of Public Health; Natalie oversees all searching and writing activities as a consultant for the Emergency Nutrition Network with financial support from the USAID Bureau of Humanitarian Affairs.
